No.C1.4338/45-46. Bangalore, dated 9th March, 1947.

Returned with compliments.

The circumstances under which Mr.Raghavan was first appointed in the Food Department have been explained at length in this office letter No.C.1.1991/45-46 dated 17-12-1945. As stated therein, he was selected for appointment as Food Inspector-cum-Typist because he was a discharged Military employee and he was bound to be best suited for the appointment in view of his previous experience, good personality and ability to type. On account of the pressing need for the deputation of such an official to Hyderabad, the appointment was made in anticipation of sanction of Government and the action taken was reported to Government. This appointment has been approved by Government in G.O.No.SD.6096-98/A.88-45-19, dated 25/26th February 1946.

2. As the official had done good work in connection with the procurement of foodgrains from Hyderabad and other places, it was considered desirable to retain him in the Food Department, and in this office letter No.C.1 4338/45-46 dated 19-7-1946, sanction of Government was solicited for his continuance as a Food Inspector under the Rationing Officer, Bangalore City. As sanction of Government to this proposal was not received, his services were dispensed with provisionally with effect from 10-2-1947.

3. In the special circumstances of the case, I request kind approval of Government to the action taken

(9) It is stated in the Notes that the question of the continuance of Mr. N. Raghavan as Food Inspector till 10th February 1947 (on which date the Director of Food Supplies terminated his services provisionally) and of his reinstatement in the same appointment (after receipt of sanction from Government) are under consideration in a separate file which is said to be before the Education Secretary. His temporary appointment as Food Inspector-cum-Typist on Rs.100/- is said to have been made, as per Director of Food Supplies Memo No.C.1-1991/45-46 dated 17th December 1945, which appointment was approved by Government in Government Order No.SD.1696-98/A. 88-44-19 dated 25/26-2-1946. This office was not consulted when the appointment was made, perhaps because the appointment was purely temporary. He has been registered at the Exchange as an ex-serviceman. His war service is from 21-8-1944 to 31-1-1945, that is, five months and tendays. He is over 41 years old and is therefore not eligible for any substantive post reserved for ex-servicemen in Government Departments. The question relating to his appointment temporarily in the Food Department is stated to be under consideration by the Education Secretary. The candidate has not so far, sought any assistance from this office because he had secured an appointment though temporary, in the Food Department.

SIR,

Subject: Appointment of Mr. N. Raghavan.

With reference to correspondence resting with your letter No.SD. 3454/A.55-46-4 dt. 31-10-46 on the above subject, I have the honour to forward herewith a copy of the note of Mr. Raghavan furnishing the required particulars in respect of items (1), (2) and (3). As regards item No. (4), I have to state that the Commissioner of Labour and the Public Service Commissioner were not consulted, but as his name was stated to have been approved by the Employment Exchange reconstituted in G.O.No. S.R.2149/P.W.R.9-45-10 dt. 5-12-45, he was given preference as a discharged Military employee and the matter was duly reported to Government for approval. Approval of Government to his appointment for a period of six months in the first instance was also conveyed in G.O. No.SD.6096-98/A 88-45-19 dated 25/26-2-1946

I may state that Mr Raghavan has done good work in connection with the procurement of foodgrains from Hyderabad, Punjab and Gwalior. He has been found to be a very conscientious and ~~efficient~~ efficient worker and I feel that it is desirable to retain him in this Department as a Food Inspector, in view of his good work and also because he belongs to the demobilised Military Personnel.

Further, when he was sent out on deputation, advances were

p.t.o.

granted to him on the assumption that the scales of allowances recommended by this office would be sanctioned by Government and the balance outstanding against him after adjustment of the allowances etc. due to him would become irrecoverable unless his services are continued in the Department.

As, however, sanction of Government for his continuance as a Food Inspector has not yet been received, and as he has returned from deputation his services have been provisionally dispensed with with effect from 10th Feb 1947 and he will have to be reinstated after the receipt of sanction of Government to this proposal to absorb him as a Food Inspector. I solicit early orders of Government in this behalf and also approval of Government to the action taken in continuing his services till the 10th February 1947.

I have the honour to be
Sir,
Your most obedient servant,

DIRECTOR OF FOOD SUPPLIES.

Food Secy. C/C
Remarks
585-2 4/2/47

Respected Sir,

I beg to represent the following for your kind consideration and early favourable orders.

I was appointed as Food Inspector-cum-typist on Rs.100/- plus Rs.20/- (C.A.) by the Director of Food Supplies in his memo No.C1/1991/45-46 dated the 17th December 1945 for attending to both the executive and ministerial duties at Hyderabad in connection with the procurement millets allotted to the Mysore Government, a post being specially created for this purpose which was approved in G.O.No.SD/1696-98/A.88-44-19 dated 25/26-2-1946.

The nature of this work as you could appreciate called for all the resourcefulness one could muster and proved to be very taxing as I had also to assist in organising the various requisites of a new office. I discharged my duties to the entire satisfaction of my superiors and the Director and the Additional Director who visited the place shortly after my going to Hyderabad have referred eloquently to the work done by me there.

The term of the above appointment which, as is usual with Government, was sanctioned in the first instance for a period of six months only and expired on 17.6.1946. As my services was required further in connection with the procurement of 2000 tons of Jawar allotted from Gwalior, I was appointed as Food Inspector in a regular vacancy under the Rationing Officer, Bangalore City, in Director's memo No.C1/185/46-47 dated 11.7.1946. Even at Gwalior I spared no pains and arranged for the quickest possible despatches completing the movement of the entire quota of 2000 tons within a short period of two months.

Immediately after my return from Gwalior the Director chose to depute me again to Punjab for procuring 3000 tons of rice and 15000 tons of Gram. These quotas were despatched with all expedition as was wont with me and a reference to Mr. Bhokari, Khan Saheb, Deputy - Regional Food Commissioner, N.W. Region, Lahore and the Director of

P.T.O.

of Food Purchases, Punjab Government, Lahore, would convince you of the efforts and sincerety with which I have discharged the duties entursted to me.

I may, however, be permitted to mention in this connection that despite all the difficulties and expenses which the officers on deputation to outside places have to incur, no sufficient funds to meet the ligitimate and necessary expenses at foreign places were ever sent to me as advances outstanding against me were considered heavy, without taking into consideration the travelling allowances I was entitled to. Even there were months when my Pay, either fully or partly adjusted towards my advance inspite of specific assurances given to me prior to each deputation that the adjustment of advances would only be made out of T.A. Bills later. Thus my family had often to go days together without any means for their maintenance while I used to be away on deputation.

Having worked against such great disabilities and suffered all privations and inconveniences due to my being most of the time in outside places on deputation, I find to my regret that the Director of Food Supplies has thought fit to terminate my services from the 10th instant as communicated to me in his memo No.C1-4338/45-46 dated 10.2.1947. I need hardly submit to you, Sir, that this has come as a shock to me just when Government were considering, so far as I could gather, the regularisation of my appointment, calling for certain further information on the proposals of the Director of Food Supplies and the matter was still on the tapis.

I am a demobolised personnal entitled to be appointed on preferential treatment as per order of Government communicated in No.SR/2149-228-PWR-9/45-46 dated 5.12.1945 under the scheme of resettlement. I was selected for the appointment at Hyderabad being found suitable after my interviewing the then Director of Food Supplies Mr.Sundara Rao. Though at the outset I was inclined to be reluctant to accept this low salary offered, my domestic circumstances compelled me to take up the appointment as I was required to stay on at Bangalore owing to my wife's continued illness and other family inconveniences I may however add that I am not as yet free of these troubles.

It is seen from the memo of the Director of Food Supplies that the main ground for termination of my services is want of -

of Government sanction to my continuance. The Director has also made a strong reference simultaneously to Government requesting for early orders in regard to my appointment to enable my reinstatement. In view of the circumstances explained I request the benign Government for early orders to my continuance in the Food Department, pending which I request that the Director of Food Supplies may kindly be requested to take me on duty immediately in any existing vacancy, treating the intervening period as any leave to which I may be entitled to. For this act of kindness and justice I remain ever grateful to you.

I beg to remain,
Respected Sir,
